## 100 club Tenancy Fraud Policy outcomes

Tenants would like to see fraud figures and results published every year

Yearly reports on our successes in combatting tenancy fraud will be published through Insight

Alliance Homes should increase the number of sample checks from 5% to 10%

Sample checks will be increased to an audit of 10% of our stock alongside the following action:

“Research the ‘industry standard’ for what constitutes a meaningful % of audit checks to set as our target

More options for those do not have photographic ID

The appendix to the policy has been amended to allow additional documents to be presented. This gives more options to those who have no photographic ID. (See appendix attached)
