“Knowing that the customers  
**NEED** and **RELY** on me,  
makes me want to go back  
**EVERYDAY.**”

HOME CARE ASSISTANT

The Care Academy. Making a difference for people who care.

# Take the first step to a rewarding job as a care professional

## What's the deal?

The Care Academy offers a three week training programme with the chance to gain a recognised care qualification as well as food hygiene and health and safety certificates. Learners who successfully complete the course will be shortlisted for an interview. We may also help with your childcare and transport. If you go on to take up a job with us, we offer competitive pay, paid travel time and ongoing professional development.

## What's it like working as a carer?

Working in care is one of the most rewarding jobs you can have. You will spend time with people who have a story to tell, people who will genuinely be pleased to see you and grateful for the help you give them. You may be the only person they see each day and you will be making a real difference to their lives.

## What's covered by the Care Academy programme?

The next programme will start on 23rd April 2018, Weston College, South West Skills Campus, Locking Road, Weston - super- Mare, BS22 8NL. To find out more please come along to the group information session on the 19th April 2018.

It will cover:

- Level 1 Qualification in Care and Certificate in Employability
- Food Hygiene and Health and Safety Certificates
- Job Shadowing and opportunity to meet the Alliance Living Care team
- Guaranteed Interview and 1-2-1 feedback
- Professional development
